Internship at the Desert Research Foundation of Namibia

The Desert Research Foundation of Namibia (DRFN) is inviting students at Polytechnic of Namibia and University of Namibia to apply for an internship. The internship is part of the project "Sustainable use of Namibia's natural resources: contributing towards enhancing the capacity of future decision makers", referred to as E-CAP. You can find more information about the E-CAP project at this link: <http://www.drfn.org.na/ECAP/>

Only students that are required by their institution to undertake an internship as part of their studies can qualify for this internship. The internship will start as soon as possible, and would be for a period of 3 - 6 months, depending on the requirements from the tertiary institution. We expect the student to be full time at the DRFN for the duration of the Internship.

To apply for this internship, please submit:

- Covering letter explaining why you would like to be an intern of the E-CAP project,
- CV
- Copies of your qualifications
- Testimonials
- Letter describing your institutions requirements for internships

to the DRFN offices: 7 Rossini street, Windhoek west **before 3:00 pm, 22 February 2012.**

For queries regarding the internship, please contact Fransiska Nghitila at 061-377500.
